

Rani Kumari

Full Stack Developer

Motivated and detail-oriented Computer Engineering student, currently in the 7th semester at RK University. Skilled in full-stack web development using the MERN stack (MongoDB, Express.js, React.js, Node.js), along with Java, object-oriented programming, Android (Kotlin), and UI/UX design. Passionate about building user-friendly applications and continuously exploring new technologies. Eager to contribute to real-world projects in a collaborative environment.
